The girls broke and set many records this year in track. Tammie Fought threw the softball 177'; Susan Hansen high jumped 4'9"; Kathy Goracke long jumped 15' 3 7/8"; Patti Christy ran the low hurdles in 19.5 seconds and she ran the 440 yd. dash in 71.4 seconds; Vicki Townsend ran the 100 yd. dash in 11.9 seconds, she ran the 220 yd. dash in 28.7 seconds and she chugged around the track for the mile run of 6 minutes 51 seconds. Dee Ann Gale set a new record in the 880 yd. run. She ran the distance in 2 minutes 55 seconds.

The Freshmen chose the movie oscar for their theme.

The 6th grade float mentioned Al Capone.

The 2nd grade float showed the grandchildren.

The first grade float had a timely theme of money and happiness.

HOMECOMING 1974

Can you give me a tip on the Sawyer Handicap?

But I've got to see him - it's important!

That should make the whispering stop - that should make everything stop.

Thate's got to be more money
...

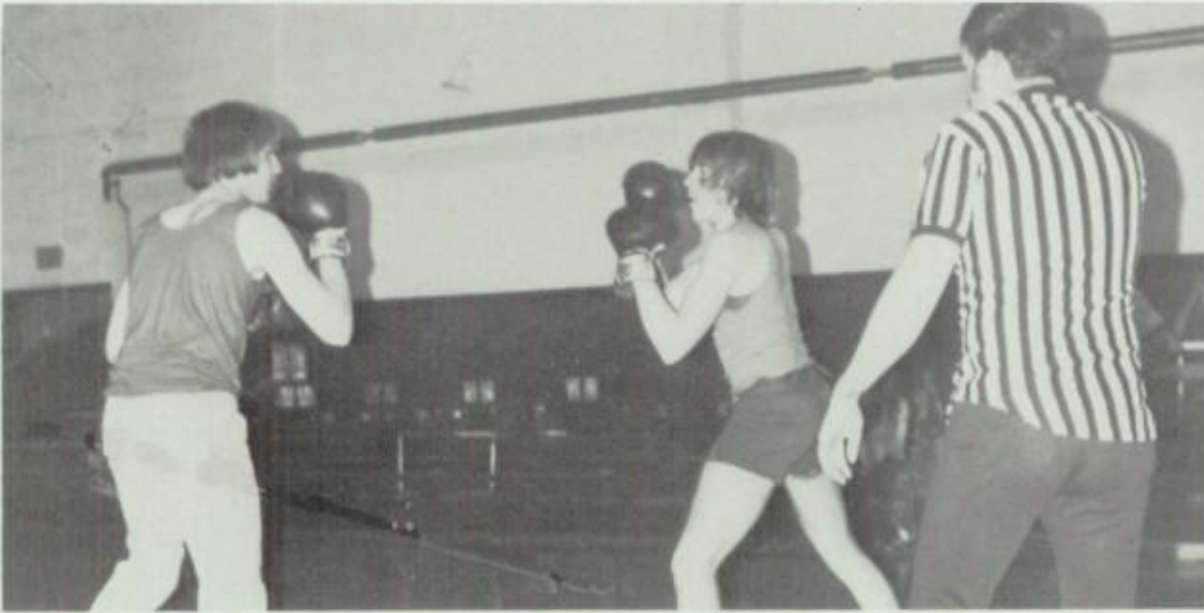

I didn't go to work today.

Is that all, Madam?

BOXING AND WRESTLING

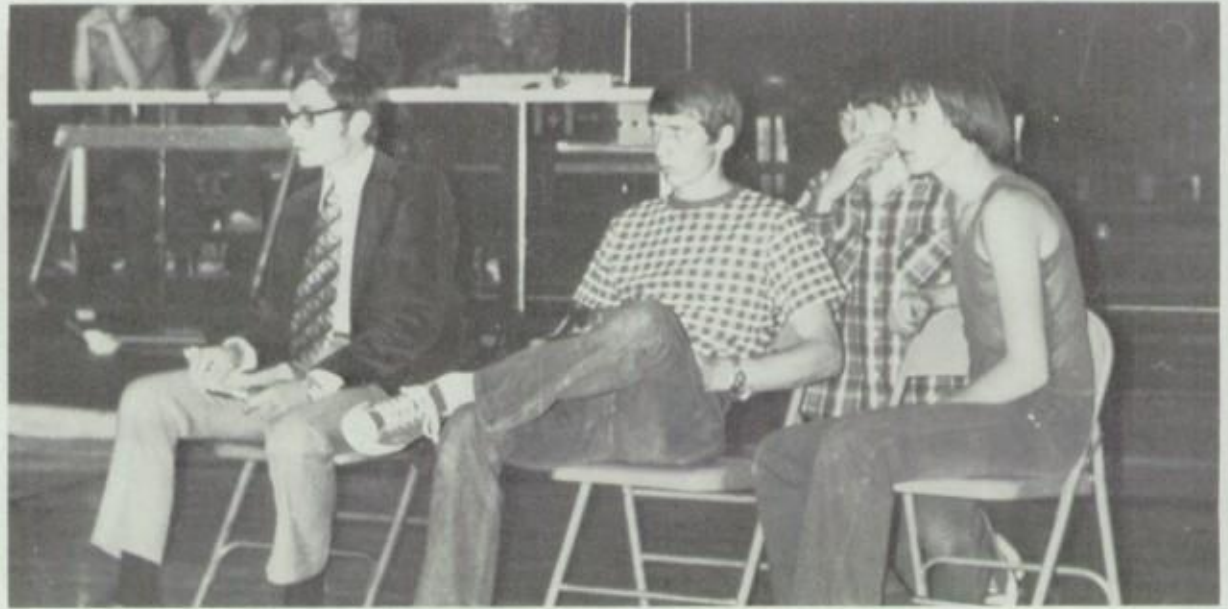

Come and get me - I dare you!

Hold everything!

How about a glove in the face?

These are the judges? What a group!

The boxing and wrestling program was started at Eastern Heights this year under the direction of Mr. Larry Poague and Mr. Ron Chester. The boys took out a night in the school year to box and wrestle other students. Some of the matches were very interesting to say the least. However, some of the repercussions of the bouts were felt for many days thereafter by the participants.

What's going on?

Hey, I'm the one that's suppose to be leading!

Get your hands off!

Everett and Tom certainly fanned the breeze in their match.

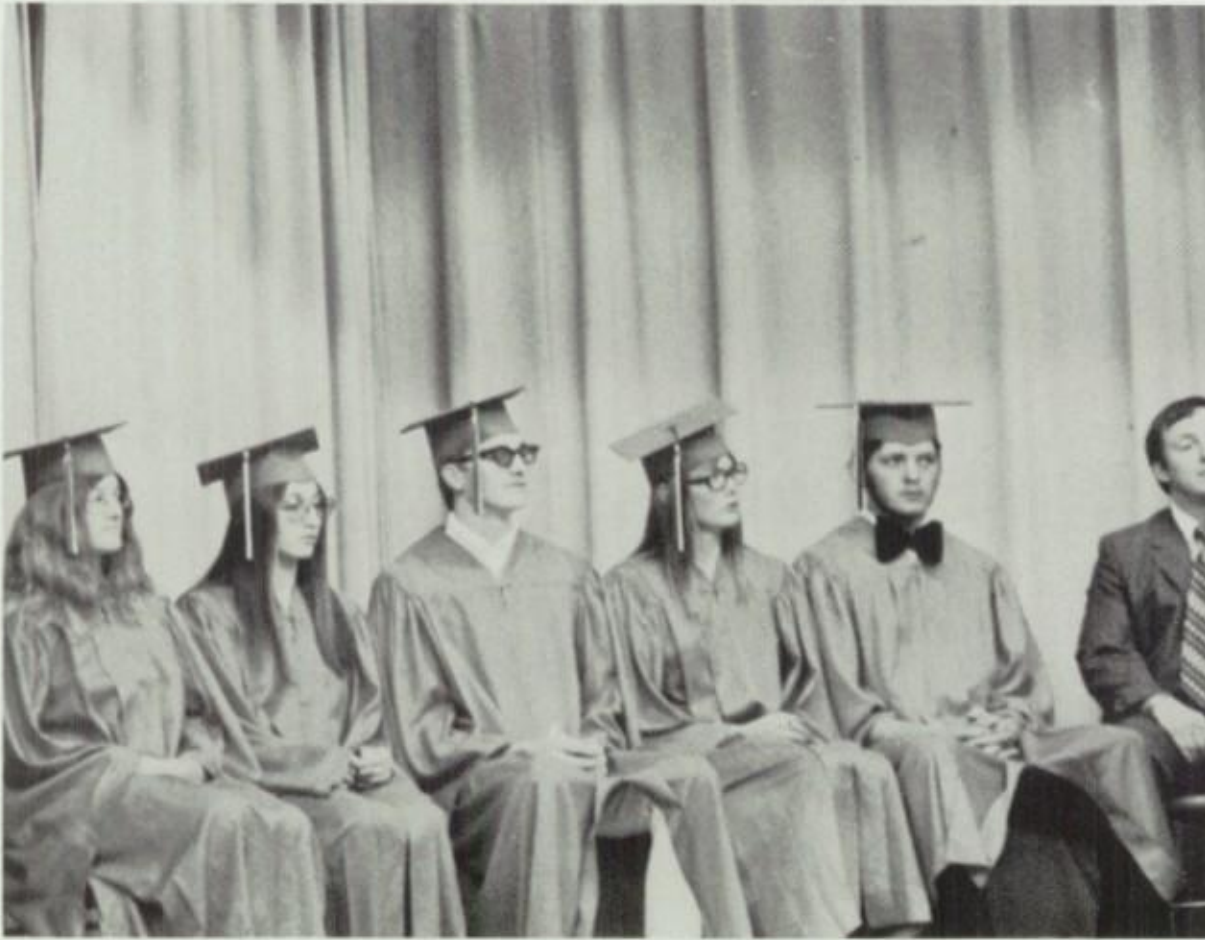

Now, this is called the bear hug . . . Next I'll . . .

RIGHT: Tom watches as Jerry takes care of the nose job Tom gave him.

GRADUATION

The graduates listened with intent to the address given by the guest speaker . . .

Dr. James Costigan of Fort Hays State College.

James Schmid provided the music . . .

. . . and most of the graduates listened to everything while dreaming of what would happen.

Despite many set-backs and a few anxious moments, the entire class made it through graduation - all eleven of them . . .

La, la, la, la, la . . .

They're our heros - and we love it!

That's the funniest thing I've ever heard, Mrs. Hansen.

What's down there?

Go get the directions, Don - it won't work!

What's happening?

I did it myself.

Sheer concentration.

And then she said . . .

Don't bother me now!

I should be able to pass an open-book test.

Don't shoot!

I don't believe that.

Did you see that?

Hi-i-i-YA-a!!!

Ho, hum . . .

I don't understand this game at all!!!

Might as well go home.

Fought has her mouth open - and there's sound coming out!

Guess who?

Now, listen here, fella . . .
